The Embassy of Belgium in Bangkok presents its compliments to the Ministry of Foreign Affairs of the Lao People's Democratic Republic and has the honour to request the latter to transmit the following information to the competent authorities.

As of January 1st, 2014 a new model of the Belgian Phytosanitary Certificates for export and re-export of plants and plant products is introduced. The two models can be found through the website of the Federal Agency for the Safety of the Food Chain (FASFC):

<http://www.favv.be/exportthirdcountries/plants/>

More information is also available through this website:

<https://www.ippc.int/countries/belgium/report-obligations/new-model-belgian-phytosanitary-certificates>

The Embassy of Belgium would like to highlight that in order to be valid the Phytosanitary Certificate has to be printed on one white page, two-sided and in colour. The colour of the text typed into the boxes has to be black.

The Embassy of Belgium in Bangkok avails itself of this opportunity to renew to the Ministry of Foreign of the Lao People's Democratic Republic the assurances of its highest consideration.
